Accruing miles? Course will be accurately measured and we will sign mileage paperwork for interested riders.

**Enjoy Yourself** – The course runs along the Pawtuckaway River and mostly through woodland trails, with firm footing & plenty of natural huntsy jumps. This farm has a conservation easement held by Bear-Paw Regional Greenways. Hundreds of acres of woods and greenspace is in conservation at and adjacent to Fine Nest Farm, protecting this important waterway. Without the generosity of our landowners, foxhunting and equine trail riding wouldn't be possible in southeastern New Hampshire and southern Maine. Refreshments available following ride.
