

Mounted Hunt Clinic

Join the Wentworth Hunt Masters and staff for a Mounted Hunt Clinic

This FREE clinic is a great way to introduce yourself and your future foxhunting horse to the sport in a friendly, instructive environment. There will be a short lecture covering safety and etiquette after which riders can go out and learn to ride in groups and common field situations experienced during the hunt. All jumping is optional. The clinic is a super way to introduce your horse to being ridden in a group situation simulating the hunt as well as to our hounds.

All participants will receive a complimentary voucher good for one capping to put it all into practice!

Boots and hard hats are required! Any tack style and dress is appropriate for this introductory clinic.

Space is limited so be sure and register early.

RSVP to Marilyn Mariano email secretary@wentworthhunt.org, or call or text at 603-505-2457
