

Mounted Hunt Clinic

Join the Wentworth Hunt Masters and staff for a Mounted Hunt Clinic

This clinic is a great way to introduce yourself and your future foxhunting horse to the sport in a friendly, instructive environment. There will be a short lecture covering safety and etiquette after which riders will go out and practice exercises to simulate riding in groups and common field situations experienced during the hunt. All jumping is optional. Immediately following the clinic is a scheduled Informal Hunt. Clinic attendees are encouraged to stay, and actually ride out with the hounds and hunt fields to experience their first hunt. Lunch will be provided following the hunt.

Boots and hard hats are required! Any tack style and dress is appropriate for this introductory clinic.

A \$20 fee is requested, and lunch is included.

Space is limited so be sure and register early.

RSVP to Marilyn Mariano, MFH - email marilyn@wentworthhunt.org, or call or text at 603-505-2457
